APPENDIX II

Measurable Impact

Directions: This template is designed to assist with collecting the data associated with the Key Performance Indicators (KPIs) and quantifying value of your clinical care initiative.

Stakeholder	Qualifier	KPI	Method of Measure
	□ Earlier □ Increased □ Decreased □ Improved □ Maintained □ Mitigated □ Reduced □ Enhanced □ Higher □ Lower □ Other:	□ Experience □ Mortality Rate □ Patient Diagnosis □ Patient Satisfaction □ Safety □ Wait Time □ Wellness □ Other:	Quantitative:
