

Poliklinici za prevenciju kardiovaskularnih bolesti i rehabilitaciju Srčana uručeno veliko priznanje “UNIVANTS OF HEALTHCARE EXCELLENCE 2024 Certificate of Achievement”

Dana 18. 9. 2024. u hotelu Esplanada, u Zagrebu, održana je svečanost kojom prigodom je Poliklinici za prevenciju kardiovaskularnih bolesti i rehabilitaciju Srčana uručeno veliko priznanje “UNIVANTS OF HEALTHCARE EXCELLENCE 2024 Certificate of Achievement”.

Priznanje je Poliklinika zavrjedila svojim preventivnim zdravstvenim programom koji provodi od 2021. godine, pod nazivom “ŽENE I SRCE”, odnosno “Rano otkrivanje kardiovaskularnih bolesti kod žena Grada Zagreba 45+”. Priznanje je uručila gđa Patricia Ravalico, izvršna voditeljica UNIVANTS of Healthcare Excellence programa iz Čikaga ravnatelju Poliklinike Srčana, akademiku Goranu Krstačiću, koji je voditelj programa.

UNIVANTS HEALTHCARE EXCELLENCE PROGRAM je globalna inicijativa nagrađivanja izvanrednih programa koji se provode u zdravstvenim ustanovama, a postignuti su kroz kolaboraciju različitih zdravstvenih disciplina s ciljem postizanja boljeg rezultata u zdravstvu. Kriteriji su kvantitativni i kvalitativni, a uvijek uključuju ekonomski aspekt i za cilj imaju bolji rezultat u liječenju, za pacijenta uz istovremenu uštedu, dobiti za ustanovu i sistem u cijelosti. Poliklinika Srčana je uspjela osvojiti ovo prestižno priznanje izvrsnosti u zdravstvu ocjenjeno od 7 najistaknutijih, vodećih zdravstvenih organizacija u svijetu (IFCC, ADLM, EHMA, HIMSS, Modern Healthcare, NAHQ i IHE) i tako se svrstala, po inovativnosti i modernim pristupima u zdravstvu, uz bok najrazvijenijim zdravstvenim institucijama.

Tijekom boravka u Zagrebu, gđa Patricia Ravalico, izvršna voditeljica UNIVANTS of Healthcare Excellence programa i Melissa Ryan, voditeljica znanstvenog marketinga i operativni voditelj programa UNIVANTS of Healthcare Excellence su posjetili Polikliniku Srčana i upoznali se sa radom Poliklinike i nagrađenim programom.

The Polyclinic for the Prevention of Cardiovascular Diseases and Rehabilitation received the great award "UNIVANTS OF HEALTHCARE EXCELLENCE 2024 Certificate of Achievement

On September 18, 2024, a ceremony was held at the Esplanada Hotel in Zagreb, on which occasion the Cardiac Prevention and Rehabilitation Center was presented with the great recognition "UNIVANTS OF HEALTHCARE EXCELLENCE 2024 Certificate of Achievement.

The Center has earned the recognition with its preventive health program, which it has been implementing since 2021, called "WOMEN AND THE HEART", or "Early detection of cardiovascular diseases in women of the City of Zagreb 45+". The award was presented by Ms. Patricia Ravalico, Executive Head of the UNIVANTS of Healthcare Excellence Program from Chicago to the Director of the Heart Polyclinic, Academician Goran Krstačić, who is the program manager.

The UNIVANTS HEALTHCARE EXCELLENCE PROGRAM is a global initiative to reward outstanding programs that are implemented in healthcare institutions, and are achieved through the collaboration of different health disciplines with the aim of achieving better results in healthcare. The criteria are quantitative and qualitative, and they always include an economic aspect and aim to achieve a better result in treatment, for the patient while saving benefits for the institution and the system as a whole. Polyclinic has managed to win this prestigious award of excellence in healthcare evaluated by 7 of the most prominent, leading healthcare organizations in the world (IFCC, ADLM, EHMA, HIMSS, Modern Healthcare, NAHQ and IHE) and thus ranked, in terms of innovation and modern approaches in healthcare, alongside the most developed health institutions.

During their stay in Zagreb, Ms. Patricia Ravalico, Executive Manager of the UNIVANTS of Healthcare Excellence Program and Melissa Ryan, Head of Scientific Marketing and Operations Manager of the UNIVANTS of Healthcare Excellence Program visited the Cardiac Polyclinic and got acquainted with the work of the Center and the award-winning program.
